

Name: Yash Panwar, P3

Game: Frogger

Location: Runs through the FroggerMain file

Rules: Player has to reach the gray box

GamePlay: Player has the option to use either the arrow keys or WASD. Player moves an entire lane when moving up and down while the distance they go when going left or right is much less. In the play area, there are cars and logs. Cars run through the black lanes and logs run through the water however, cars will kill the player and logs save the player from water. Players are given 5 lives to attempt to reach the gray box, as the player wins rounds their score is increased (no target score, can play any amount of rounds).
